To bring customers colorful digital life, Aimersoft is now holding a promotion for summer vacation. Anyone buys a single iPod, iPhone and BlackBerry Converter(either DVD Converter or Video Converter) will get a free corresponding Video or DVD converter. For example:

If you buy Aimersoft DVD to iPod Converter, you can get Aimersoft iPod Video Converter totally for free Now! (That means you can get Aimersoft iPod Converter Suite with a single product price as it includes Aimersoft DVD to iPod Converter and Aimersoft iPod Video Converter)
